For Your Time and Attention

Resources

1. **BCG Digital Consumption Report:** Used Gen Z spending insights and the “social shopping” trend to justify a student-first entry.
2. **Hooked Model (Nir Eyal):** Applied the four-stage habit loop to shift users from intent-led to discovery-driven behavior.
3. **Glance AI Ecosystem:** Leveraged the smart lock screen to move discovery from in-app to pre-app moments.
